

Missing the Greatness of God

Jonah 4

The story could have ended at the end of Chapter 3. The job was done and Jonah and Nineveh had repented. But in chapter 4 we see Jonah failing at success. After one of the greatest revivals in the history of the world Jonah was more than upset, he was seething with anger. Fascinating how quickly Nineveh responded, yet how slow Jonah was to respond to God. In all that God had done, Jonah missed out on God's greatness. How do we miss the greatness of God?

It Starts with Anger (1-3)

It leads to Bitterness (4-8)

It results in an Antagonistic Attitude (9-11)
